REMARKS

Status of the Claims

After amendment, claims 1-66 are pending. Claims 24, 25, and 47-66 have been withdrawn. Claim 18 has been amended to clarify the language of the claim.

Restriction

The Examiner required election of one of the following groups:

- I. Claims 1-46, drawn to a first process for devitalizing soft tissue, classified in class 435, subclass 380.
- II. Claims 47-59, drawn to a devitalized soft tissue graft, classified in class 424, subclass 422.
- III. Claims 60-66, drawn to a second process for devitalizing soft tissue, classified in class 435, subclass 378.

Applicant elects group I, which includes claims 1-46. The Examiner also required that one species from claims 8; 19 & 24; 21; 22; 28; and 51-55 also be elected.

Applicant elects the species of claim 8 directed to BENZONASE®.

Applicant elects the species of claims 19 & 24 directed to chlorine dioxide.

Applicant elects the species of claim 21 directed to glycerol.

Applicant elects the species of claim 28 directed to N-lauroyl sarcosinate.

Applicant elects the species of claim 22 directed to a water replacement agent (e.g., glycerol).

Applicant's election of a species from claims 51-55 is moot, as group I is directed only to claims 1-46.

Consequently claims 24, 25, and 47-66 stand withdrawn according to the Examiner's requirement. The elections read on claims 1-23 and 26-46.
